Hence there is no need to refer this case to the P S C what has already been ordered in G O No L 1206-8/CH 207-54-2 dated 10 5 55 (Hapt) to absorb Sri H R Seshadri as a Bill Collector in a general vacancy without advertisement ~~to ratify a concession~~ exempting him from the Operation of the Rules of recruitment is itself a concession The present proposal is to absorb him in a special vacancy and treat him as S P t from 24 9 49, the date of his appointment and to compensate this Special vacancy by selling of the general vacancy occurred from 18-12-54 The Administrative Sectt (Municipal branch) may examine whether there is any need to accept these proposals and then send it to R & P S Section, if necessary, as per directions issued in O M No 66-86/R & P S 2-54-2 dated 6-4-54. Six years and would be deprived of the Chance of Earning increments in the grade if he were appointed against the available General Vacancy at present.

11) The PU Council at their meetings held on 12 7 55 and 30 12 55 have resolved that his case may be recommended to Govt

12) The Director of Municipal Administration may be requested that the Head has been shown the utmost Consideration by exempting him from the Operation of P S C Rules and also to absorb him as a Bill Collector in a General Vacancy without advertisement

13) In addition Again the PU Council have recommended that he may be absorbed in a Special Vacancy and he may be made S P T from 24 9 49, the date of his appointment If Govt so on showing Consideration then there will be similar proposals and they have to accept it on the precedents. Similar proposal of the same Municipality (re Sri Mr Adama's Case) has been turned down by Govt recently

Apart from this concession, the Mysore city Mcl could have not proposed to treat his service as S P V from 24-9-49 against the special vacancy no 18 for purposes of salary increments and to set off the general vacancy created as a special vacancy to compensate for the special vacancy in which Sri Seshadri is proposed to be absorbed. 17) In their orders No L 1206-8 dated 10-5-55, Government accorded sanction for the absorption of Sri H R Seshadri as a bill collector in a general vacancy without advertisement in the Mysore City Municipality in grade 30-1-40-2-50 exempting him from the operation of the Public Service Commission rules No retrospective effect is specified in the Government Order Hence, the appointment of this official stands regularised with effect from 10-5-1955. the date of the Government Order, since it is reported by the Commissioner, Mysore City Municipality in his letter dated 7-2-56 that a general vacancy has occurred on 18-12-1954 by the retirement of Sri Lakshmana Singh with effect from that date

18) 2 As a sequel to the above Government Order the Municipal Council in their Resolution dated 12-7-1955 have recommended "that the

"that the services of Sri H R Seshadri may be treated as 'S P T ' from 24-9-1949 against the special vacancy No 18 for purposes of earning increments and to set off the general vacancy caused by the retirement of Sri M Lakshman Singh as a special vacancy to compensate for the special vacancy in which Sri Seshadri is proposed to be absorbed, in order that an efficient Municipal servant might not stand to lose a long service of 7 years and earning of increments "

19) 3 It is reported in letter No C,8 PR 251/53-54 dated 24-5-54 of the Commissioner, Mysore City Municipality, addressed to the Secretary to Government, Local Self Government & Planning Departments, that this official was appointed temporarily (as a local candidate) from 12-12-49 against a special vacancy caused by the suspension of one Sri Basavalingaiah It is also reported further that Sri H R Seshadri has been continued in the above vacancy, since the services of Sri Basavalingaiah were terminated finally for the irregularities committed by him In view of these facts, the proposal of the Mysore City Municipality to treat the tenure of appointment of Sri H R Seshadri as S P T with effect from 12-12-1949 (and not 24-9-49 as indicated in the Resolution dated 12-7-55) against the vacancy referred to here, is admissible under the M S R In case this is done, the official will have the benefit of about 5½ years of his service against this post To compensate for the special vacancy utilised for the regularisation of the services of Sri H R Seshadri with effect from 12-12-1949, the Municipal Council also proposes to treat the general vacancy that has occurred from 18-12-54 as a special vacancy for recruitment purposes

20) 4 In view of these circumstances, the above proposals of the Municipal Council appear to be acceptable

Sir,

Subject - Regularisation of the appointment of Sri H R Seshadri, Bill Collector of the City Municipal Council, Mysore

Ref - Government Order No L 1206-8/C L 26-54-207 Bangalore dated 28-4-1955 exempting Sri H R Seshadri, Bill Collector from the operation of the P S C Rules and permitting his appointment in a General Vacancy in grade 30-1-40-2-50

-O-

1) I write to state that Sri H R Seshadri was originally appointed to work against a clear General vacancy The General vacancy in which Sri Seshadri was working was subsequently filled up through the Public Service Commission by one Sri B Cheluvaraju who was till then working as a local candidate against a special vacancy Sri H R Seshadri was continued against the special vacancy released by the appointment of Sri B Cheluvaraju The special vacancy in which Sri Seshadri was appointed and continued with effect from 24-9-1949 has not at all been advertised so far according to the Rules of the Public Service Commission The Official has put in a service of over six years as a local candidate against the special vacancy and his appointment has not been regularised up to the receipt of Government Order dated 28-4-1955/10-5-1955

2) As the Official would be deprived of a service of over six years and would also be deprived of the chance of earning increments in the grade if he were appointed against the available General vacancy at present, he prayed, that his appointment against the special vacancy might be regularised from the date of his appointment namely 24-9-1949. The

P T O

The subject was placed before the Managing Committee and the Council who after a long deliberation recommended ~~xxxSxRxTxxfxxx xhxxSxtxxxfxhxxxxpxxirtxxxxx~~ that (i) the tenure of the Official may be treated as S P T from the date of his appointment (ii) that the special vacancy against which he is proposed to be absorbed may be compensated by setting off the General Vacancy caused by the retirement of Sri M Lakshman Singh with effect from 18-12-1954 in order to enable an efficient Municipal servant with rich experience not to lose a pretty long service of over six years and to help him to earn his increments in his grade

3) The Managing Committee Resolution No 298 dated 12-7-1955 and the Council Resolution No 1062 dated 30-12-1955 are enclosed for kird reference

4) I am to add that as the Government have been pleased to exempt the Official from the operation of the Public Service Commission Rules as per the Government Order under reference, the recommendations of Municipal Council meant only to mitigate a great deal of hardship that may be caused to the Official by absorbing him against a General vacancy that may be available present Further the present recommendations are also in consonance with the Government Order dated 10-5-1955 as it would extend to the Official the benefit of service of over six years and enable him to earn his increments in his grade So far as the principle of compensation is concerned the General vacancy that is readily available at the time of consideration of the present case would be set off to compensate the special vacancy against which the Offici is proposed to be absorbed with the kind sanction of Government

5) Under the circumstances explained it is requested that kind early sanction of Government may please be obtained to the recommendations of the Municipal Council and communicated

Yours faithfully,

(A Viswanath)

Letter No 313/CSA dated 4-4-56 from the Controller, State Accounts Department, Bangalore, forwarding the U O file No L 12/9-4-1956 from the Secretary to Government, Education & LSG Departments for remarks regarding proposals for treating the services of Sri H R Seshadri, Bill collector as S P T from 24-9-1949 against special vacancy No 18 for purposes of earning increments

---

U O Reply No 236 /MLAC Dated, the 26th April 1956

1 It is submitted for kind information that the circumstance in which Sri H R Seshadri was entertained as a bill collector and continued as a local candidate until regularisation of his appointment as per G O dated 28-4-1955/10-5-1955 have been explained in Commissioner's letter No C8 PR 251/53-54 dated 7-2-1955 The one point that is now pressed for consideration is that Sri Seshadri was continued in a special vacancy without advertisement as per Rules of Recruitment with effect from 24-9-1949

2 The official has put in a service of nearly six years to date of G O regularising his appointment

3 There is a vacancy caused by the retirement of Sri M Lakshman Singh, Bill collector with effect from 18-12-1954 The vacancy is classified as general according to the prevailing rules of P S C at the time of the receipt of the Government Order The Council have recommended the case of Sri H R Seshadri for absorbing him against the special vacancy with effect from 24-9-1949 in view of the long and useful service of the official and also in view of the availability of a general vacancy at the time of the receipt of the Government Order Government have been pleased to exempt the official from the operation of the recruitment rules and have permitted the absorption of this official in a general vacancy, without advertisement Hence his appointment stands regularised with effect from the date of the Government Order provided there was a general vacancy The date of the G O is 28-4-55/10-5-1955 and on that date there was not any general vacancy in the City Municipal Council, Mysore The official has been continued in a special vacancy The general vacancy has occured from 18-12-1954 He could therefore be absorbed with effect from 18-12-1954 without this general vacancy being advertised as per the G O dated 28-4-55/10-5-1955 He has been working for six years with effect from 24-9-1949 in a special vacancy which is a clear one But in letter No C8 PR 251/53-54 dated 24-5-54 addressed to Government by the Commissioner, City Municipal Council, Mysore and in letter No L 5717/CM 26-54-91 dated 12-8-54 from the Secretary to Government, L S G & Planning Departments it is seen that this official was appointed as a Bill Collector in the special vacancy with effect from 12-12-1949 The proposal of the Council to treat him as S P T with effect from 24-9-1949 has to be approved by Government if article 80(2) Note 1 of M F C is considered to operate in the case of the Municipal servants who are supposed to be governed by rule 285(B) and 296 of M A M However if the Government are pleased to consider that the cases of Municipal servants could be brought under the operation of rules 285(B) and 296 of M A M and the council is held competent to deal with such cases then a clear direction to that effect would facilitate taking correct decisions in similar cases

Sp/Vacancy arose only from 12 12 49

Sanction of the Government to the proposals of the Municipal Council would be necessary as based on the analogy of the case of Sri R Venkataramanam Setty, Bill collector of Harihar Town Municipality who has been confirmed in grade 35-2-45 with effect from 1-1-1947 exempting him from the operation of the P S C Rules as per G O No L 9319-23/M1 7-52-46-dated 5-11-1952
